The UniMET Unification of Marine Education and Training) Symposium is being hosted by the TUDEV, one UniMET partner. UniMET is a EU funded project that launch to help harmonise Marine Education and Training across Europe by raising awareness and transferring the good practices of partner states MET systems with the ultimate aim of improving the level of safety at sea worldwide ([www.unimet.pro](http://www.unimet.pro)).

A distinguished forum of national and international speakers will discuss best practices in Maritime Education and Training, focussing on the future opportunities to improve the quality and standards in MET institutions. The conference will seek ideas to improve the current situation and look at the issue from the view of different Maritime professionals, academics, policy makers and international organisations.

Topics being discussed at the UniMET conference will include:

- Best practices in MET in EU countries
- Enhancing standards in MET over and above the existing STCW
- Demonstrating the need for standards in Maritime English
- Enabling further mobility of seafarers across Europe and Worldwide
- Engaging policy makers to support and adopt UniMET programmes

We need you in the audience to add to the debate and join the discussion and workshop.

Free registration is available at [www.unimet.pro/workshop.aspx](http://www.unimet.pro/workshop.aspx) Buffet lunch is provided. More information about UniMET and conference updates will be posted on UniMET website. For any queries, please do not hesitate to contact symposium secretary, Lerna DILLI at [ldilli@tudev.edu](mailto:ldilli@tudev.edu)

**Please forward this conference invitation to your colleagues and network.**
